Monty Halls has spent the last 20 years exploring the classic dive destinations on earth. So what is the greatest dive site on earth? What are the top ten for any diver to add to their bucket list?

With stunning images, remarkable footage, and tall tales from one of diving's greatest raconteurs, this one-off event is not to be missed if you love the sea, escapism and exploration.

This event is supporting two Plymouth charities:

“Monty speaks from the heart.. he's made my feet itch. I feel an adventure coming on..!”
