### Wenoll-System / 200 Bar Systems complete with waterproof cases

All 200 bar cases include an oxygen cylinder, 2.0 litres, steel filled with medical oxygen, 200 bar, Pressure regulator CS 215 and complete Wenoll re-circulation system

Article No	Description	Retail Price in £	VAT inclusive price
121 015	WS100	£951.69	£1,142.03
121 016	WS100 with Wenoll demand Module	£1,180.51	£1,416.61
121 020	WS105 with Wenoll demand module and respiration bag MR-100	£1,138.91	£1,366.69
121 025	WS200	£1,055.70	£1,266.84
121 026	WS200 with Wenoll demand Module	£1,294.92	£1,553.91
121 035	WS300	£1,102.50	£1,323.01
121 036	WS300 with Wenoll demand Module	£1,357.33	£1,628.80

### Wenoll-System / 300 Bar Systems complete with in ultralight units (bags, yellow)

All 300 bar bags include an ultra-light oxygen cylinder, carbon, filled with medical oxygen, 300 bar, pressure regulator RS 300 with two medium pressure outlets (click connection, 5 bar), as well as the respective application modules.

123 110	WS110 D with Wenoll demand Module	£1,060.90	£1,273.08
123 112	WS110 l with INSPO <sub>2</sub> Module	£1,596.55	£1,915.86
123 120	WS120 D with Wenoll demand Module	£1,138.91	£1,366.69

### Wenoll-System / 300 Bar Systems complete with in ultralight units (bags, yellow)

All 300 bar bags include an ultra-light oxygen cylinder, carbon, filled with medical oxygen, 300 bar, pressure regulator RS 300 with two medium pressure outlets (click connection, 5 bar), as well as the respective application modules.

123 122	WS120 l with INSPO <sub>2</sub> Module	£1,658.96	£1,990.75
123 124	WS120 l with INSPO <sub>2</sub> Module + Oximiter	£2,075.00	£2,490.00
123 150	WS150 D with Wenoll demand Module + Respiration bag	£1,315.73	£1,578.87
123 151	WS150 D As 123 150 but with waterproof cover	£1,346.93	£1,616.31

### Wenoll-System / 300 Bar Systems in multifunctional rucksacks, anthracite

All 300 bar rucksacks include an ultra-light oxygen cylinder, carbon, filled with medical oxygen, 300 bar,

pressure regulator RS 300 with two medium pressure outlets (click connection, 5 bar), as well as the respective application modules.

123 212	O <sub>2</sub> Mobile 1 with INSPO <sub>2</sub> module	£1,534.15	£1,840.98
123 222	O <sub>2</sub> Mobile 2 with IN SPO <sub>2</sub> module	£1,591.35	£1,909.62

### Wenoll-System / oxygen demand kit's for oxygen cylinder 200 bar

The oxygen kits include a pressure regulator CS 215 or RS 220, Wenoll demand module with connecting tube, mask with mask holder and single-use syringe to adjust oxygen mask, mouth-piece and nose clip, HME/bacterial filter.

123 500	Oxygen kit 1 with pressure reg CS 215 HP thread DIN 477 1.6 m oxygen hose	£618.86	£742.63
123 502	Oxygen kit1 with pressure reg CS 215 HP thread DIN 477 3.5 m oxygen hose	£639.66	£767.59
123 510	Oxygen kit 2 with pressure reg RS 220 HP thread DIN 477 1.6 m oxygen hose	£650.06	£780.07
123 512	Oxygen kit 2 with pressure reg RS 220 HP thread DIN 477 3.5 m oxygen hose	£660.46	£792.56

### Wenoll-System / oxygen savings - systems

122 500	INSPO <sub>2</sub> module electronical O <sub>2</sub> savings unit including protective bag with belt loop, O <sub>2</sub> connecting tube 1m and 1 set nasal canunula (5 pieces)	£702.07	£842.48
123 300	O2 Circle pack circle breathing system in carry and application bag complete to connect to oxygen source	£296.43	£355.71

### Components, parts and disposables / spare parts

121 011	Wenoll-case WS 100, empty, water and dust tight	£188.26	£225.91
121 012	Inlay for case WS 100, 2 pieces	£65.53	£78.63
121 019	Inlay for case WS 105 with glue strip for inner surface of cover	£53.05	£63.65
121 021	Wenoll-case WS 200, empty, water and dust tight	£229.86	£275.83
121 022	Inlay for case WS 200, 2 pieces	£71.77	£86.12
121 031	Wenoll-case WS 300, empty, water and dust tight	£258.98	£310.78
121 032	Inlay for case WS 300, 4 pieces	£90.49	£108.59
121 042	Circle breathing system in cardboard box for the Wenoll system standard	£165.38	£198.45
121 044	Circle breathing system in cardboard box for the Wenoll system WS 100/200/300	£179.94	£215.92

### Components, parts and disposables / spare parts

121 050	CO <sub>2</sub> absorber	£70.73	£84.87
121 051	Rebreathing bag, 3 litres	£12.48	£14.98
121 052	Bacterial filter/HME	£6.24	£7.49
121 053	Mouthpiece of silicone, disinfectable	£5.20	£6.24
121 054	Tubing for Wenoll breathing system standard	£26.00	£31.20
121 055	Tubing for Wenoll breathing system WS 100/200/300	£81.13	£97.35
121 056	Mask with airbag	£12.48	£14.98
121 057	Oxygen mask with connecting tube and reservoir bag	£6.76	£8.11
121 058	Mask holder for mask with airbag	£15.60	£18.72
121 059	Nose clip	£3.12	£3.74
121 060	APL-valve 0-60 mbar for artificial respiration	£18.72	£22.47
121 061	T-piece with overflow valve Pmax ~ 4 mbar for Wenoll breathing system Standard	£18.72	£22.47
121 063	Y-piece for simultaneous use of two circle breathing systems	£4.16	£4.99
121 064	Strap for circle breathing system	£15.60	£18.72
121 070	Oxygen demand module with oxygen connecting tube 1.6 m (DIN thread)	£264.19	£317.02
121 071	Oxygen connecting tube with DIN winding, 1.6 m for demand valve	£61.37	£73.64
121 072	Oxygen demand module with oxygen connecting tube 1.6 m (UNF thread)	£264.19	£317.02
121 073	Oxygen connecting tube with UNF winding, 1.6 m for demand valve	£61.37	£73.64
121 074	Oxygen demand module with oxygen connecting tube, 1.6 m with hose plug for click connector	£264.19	£317.02
121 075	Oxygen connecting tube with hose plug for click connector, 1.6 m for demand valve	£61.37	£73.64
121 078	Flex tube with ISO-connecting	£10.40	£12.48
121 081	Oxygen cylinder, steel, 2.0 litres, white, DIN 477, filled with med oxygen 200 bar	£148.73	£178.48
121 082	Oxygen cylinder, steel, 2.0 litres, white, empty with cylinder valve DIN 477	£113.37	£136.04
121 083	Oxygen cylinder, carbon - fully wrapped, 2.0 litres, white, 300 bar, M18 x 1.5, empty without valve	£348.43	£418.12
121 084	Oxygen cylinder, carbon - fully wrapped, 1.0 litre, white, 300 bar, M18 x 1.5, empty without valve	£306.83	£368.20
121 085	Adapter for oxygen cylinder, type 1	£49.92	£59.91
121 086	Adapter for oxygen cylinder, type 2	£49.92	£59.91
121 087	Adapter for oxygen cylinder, type 3	£41.60	£49.92

### Components, parts and disposables / spare parts

121 096	Pressure regulator CS 215, DIN 477, 200 bar, to be set in steps 0 - 15 l/min, 2 middle-pressure outlets 5 bar with click connector, flush function	£324.51	£389.41
122 060	Manual resuscitator MR-100, adults, with overpressure valve 60 mbar and ISO-connection for oxygen demand module autoclavable	£118.57	£142.29
122 061	Manual resuscitator MR-100, children, with overpressure valve and ISO-connection for oxygen demand module autoclavable	£126.89	£152.27
122 062	Manual resuscitator MR-100, baby, with overpressure valve and ISO-connection for oxygen demand module autoclavable	£126.89	£152.27
122 065	PEEP valve 5-20 mbar for manual resuscitator MR - 100, autoclavable	£81.13	£97.35
122 067	Adapter for Wenoll demand module / Ambu manual resuscitator	£14.56	£17.47
122 070	Pocket mask in plastic-box with bacterial filter and oxygen connection	£12.48	£14.98
122 075	1 set nasal cannula (5 pieces), single use, for INSPO <sub>2</sub> module 1.8 m, latex free	£9.36	£11.23
122 090	Pressure regulator RS 220, DIN 477, 200 bar, to be set in steps 0-20 l/min, 2 middle-pressure outlets 5 bar with click connector, flush function, incl hand wheel at HP connection	£361.95	£434.35
122 110	Pressure regulator RS 300, 300 bar, 2 middle-pressure outlets (5 bar) with click connector	£407.72	£489.26
122 120	Pressure regulator RS 320, 300 bar, to be set in steps 0-20 l/min and 2 middle-pressure outlets 5 bar with click connector, flush function	£467.00	£560.41
122 200	1 litre oxygen cylinder, carbon complete with pressure regulator RS 300, filled with medical oxygen, 300 bar	£722.87	£867.44
122 220	1 litre oxygen cylinder, carbon complete with pressure regulator RS 320, filled with medical oxygen, 300 bar	£782.15	£938.59
122 230	2 litre oxygen cylinder, carbon complete with pressure regulator RS 300, filled with medical oxygen, 300 bar	£764.47	£917.37
122 250	2 litre oxygen cylinder, carbon complete with pressure regulator RS 320, filled with medical oxygen, 300 bar	£823.76	£988.51
122 290	Filling adaptor for med. O <sub>2</sub> , 300 bar, ISO 5145	£144.57	£173.49
122 292	Filling adapter ISO 5145 for regulator RS300/RS320, med. 200 bar, DIN477-9	£185.14	£222.17
122 293	Filling adapter ISO 5145 for regulator RS300/RS320, med. 200 bar, BS341	£185.14	£222.17
122 294	Filling adapter ISO 5145 for regulator RS300/RS320, med. 200 bar, NFE29-650	£185.14	£222.17
122 295	Filling adapter ISO 5145 for regulator RS300/RS320, med. 200 bar, UNI1144	£185.14	£222.17
122 310	Cover for WS 110, Cordura, yellow with double zipper, handle and shoulder belt	£63.45	£76.14

### Components, parts and disposables / spare parts

122 320	Cover for WS 120 without pulse oximeter, Cordura, yellow with double zipper, handle and shoulder belt	£70.73	£84.87
122 322	Cover for WS 120 with pulse oximeter, Cordura, yellow with double zipper, handle and shoulder belt	£81.13	£97.35
122 345	Cover for WS 150, Cordura, yellow with double zipper, handle and shoulder belt	£79.05	£94.86
122 350	Waterproof cover for WS 150, yellow with zipper, handle and shoulder belt	£119.61	£143.53
122 360	Rucksack oxygen mobile I, anthracite, empty with retractable straps, handle and shoulder belt	£130.01	£156.01
122 365	Rucksack oxygen mobile II, anthracite, empty with retractable straps, handle and shoulder belt	£55.13	£66.15
122 370	Protective bag for 1 litre carbon cylinder with pressure regulator, red, fastening eyes and loops	£55.13	£66.15
122 375	Protective bag for 2 litre carbon cylinder with pressure regulator, red, fastening eyes and loops	£63.45	£76.14
122 380	Carry and application bag for oxygen Circle Pack, red, empty	£74.89	£89.86
122 385	Bag for INSPO <sub>2</sub> module, anthracite with belt loop to be operated from outside	£34.32	£41.19
122 540	Oxygen connecting tube, silicone, 3 m, with oxygen angle extraction neck DIN and self sealing click connector to connect to INSPO <sub>2</sub> module	£154.97	£185.97
122 550	Oxygen connecting tube, silicone, 1.6 m, with oxygen angle extraction neck DIN for small connector RS 300/320 and selfsealing click connector to connect to INSPO <sub>2</sub> module	£82.17	£98.60

### Components, parts and disposables / spare parts

122 600	Pulse oximeter Nonin Onyx II 9550 including bag with belt clip and one set of batteries	£338.03	£405.64
---------	---	---------	---------

### Servicing, maintenance & training

125 011	Re-test/inspection for pressure regulator CS 215/RS 220 including replacement of all necessary items (further damage will be subject to complexity)	£101.93	£122.32
125 012	Re-test/inspection for pressure regulator RS 300/RS 320 including replacement of all necessary items (further damage will be subject to complexity)	£92.57	£111.08
125 013	Re-test/inspection for INSPO modul Technical safety check (STK) for pressure regulator S 215 / RS 220 / CS 225	£101.93 £71.77	£122.32
125 014	(further damages will be subject to complexity)		£86.12
125 015	Re-test/inspection for demand module	£46.80	£56.17
125 020	Filling of oxygen cylinder, 1 litre, 200 bar.	£40.56	£48.68

### Servicing, maintenance & training

125 021	Filling of oxygen cylinder, 2 litres, 200 bar.	£44.72	£53.67
125 025	Filling of oxygen cylinder, 1 litre, 300 bar.	£47.84	£57.41
125 026	Filling of oxygen cylinder, 2 litres, 300 bar.	£53.05	£63.65
125 030	TÜV (re-test/inspection) for oxygen cylinder including editing (only in conjunction with filling)	£50.96	£61.16
125 035	Valve for oxygen cylinder DIN 477, small-conical	£35.36	£42.44
125 036	Valve for oxygen cylinder DIN 477, M18x1,5	£35.36	£42.44
125 038	High pressure manometer for pressure regulator CS 215 / RS 220, Nominal size: 40	£36.40	£43.68
125 039	High pressure manometer for pressure regulator CS 215 / RS 220, Nominal size: 28	£26.00	£31.20
125 040	1 set of boxes for dangerous goods (5 pieces), suitable for cylinders from 0.8 to 2 litres (universal) with label and tape <b>including shipment</b> within UK	£26.00	£31.20
125 050	Maintenance WS 110 including replacement of all spare parts, filling of cylinder with 300 bar medical oxygen as well as complete documentation	£144.57	£173.49
125 051	Maintenance WS 120 including replacement of all spare parts, filling of cylinder with 300 bar medical oxygen as well as complete documentation	£152.89	£183.47
125 100	Wenoll-System user manual, German, 60 pages with self control questions	£9.36	£11.23
125 120	Wenoll Circle Pack (circle breathing system) for instruction and training, in cardboard box (only for instruction and training, not for emergency use!)	£113.37	£136.04
