

WHERE DOES YOUR MONEY GO?

HOW ARE DONATIONS TO DDRC SPENT?

TREATMENT & ADVICE:

- conditions not funded by the NHS
- some patient accommodation costs
- equipment & facilities improvements, e.g. a cardiac monitor and a ventilator.
- health advice to divers

EDUCATION & TRAINING:

- attending conferences & courses to share knowledge and expertise
- subsidize Diver Education events

RESEARCH:

- improving understanding of how hyperbaric oxygen interacts with cells and tissues.
- collaborations with other research institutions, PhD students and clinical studies.

THE FUTURE? A new hyperbaric chamber is next on our wish list, costing over £1 million.
